

Title	Intel StrataFlash Embedded Memory P30
Affected Products	Eurotech Product using Intel StrataFlash Embedded Memory P30

Summary

Intel, on behalf of Numonyx, has announced a product revision for StrataFlash Embedded Memory P30 used in certain Eurotech products. Intel offers this description of the change:

This revision is due to the discontinuation of the former Intel 130nm process from Intel Fab 14 that is now sold through Intel. The change applies to all densities of P30 product family. (Intel Product Change Notification 109030-01)

With that in mind, we are working closely with all our customers who have purchased product from Eurotech that uses the Intel StrataFlash Embedded Memory to define next steps, including migration options, last time buy schedules, and special considerations.

Impact

Migrating to the 65nm flash memory from Intel requires a software upgrade from Eurotech.

Description of Product Change

- 1) Replacement of current generation Intel StrataFlash (130 nm) Embedded Memory to next generation (65 nm).

Recommended Action

The migration option is to transition to a different flash memory on your Eurotech product. Eurotech is prepared to work with you through this process to minimize interruption of the supply of your Eurotech product from us.

Migrating to the 65nm flash memory from Intel requires a software upgrade from Eurotech.

Ultimately all Eurotech products using the discontinued Intel StrataFlash Embedded Memory will transition to the next generation of this memory component. If you decide to take no action now, the transition will occur on a schedule determined by Eurotech.

Last Time Buy schedule

The last time buy date of the Intel StrataFlash Embedded Memory is scheduled for June 30, 2009. Eurotech will accept orders that are in-house by June 26, 2009 for affected products. All last time buy orders are non-cancellable and non-returnable.

You must place your last time buy order for all affected Eurotech products by June 26, 2009.

Last Time Ship schedule

Eurotech will ship product ordered in the last time buy order by December 31, 2009, in minimum lots of 100. Contact your Eurotech regional sales manager for complete details of the Eurotech EOL Policy, including consignment inventory information.

Standard warranty details apply.

Key Date Summary

Last Time Buy	June 26, 2009	General
Last Time Ship	December 31, 2009	General

Effectivity

Product change notice effective date is 06/05/2009.

Eurotech Affected Products

This change affects Eurotech products with **64 MB Flash memory**.

Part Number	Description
Unique for each product	Custom product using Intel StrataFlash Embedded Memory P30 64 MB Flash memory Only

Special Considerations

Customers with previously negotiated, special considerations will be handled separately.

Contact your Eurotech regional sales manager with any questions.
