

Title	Marvell PXA270 to PXA270M Processor
Affected Products	Eurotech Product's based on Marvell PXA270 Processor
PCN	09004
Date	June 22, 2009

Summary

Marvell has made an early notification that the PXA270 processor will transition to the PXA270M processor in the first half of 2010.

Impact

Our in-house validation confirms that there is no migration concern in going from the Marvell PXA270 processor to the Marvell PXA270M processor.

Description of Product Change

- 1) PXA270 processor migrated to PXA270M.

Recommended Action

The migration path is to transition to the PXA270M processor from Marvell on your Eurotech product. Our in-house validation confirms that there is no migration concern in going from the Marvell PXA270 processor to the Marvell PXA270M processor.

Eurotech is prepared to work with you through this process to minimize interruption of the supply of your Eurotech product. If you decide to take no action now, the transition will occur on a schedule determined by Eurotech.

Last Time Buy schedule

The last time buy date of the Marvell PXA270 processor is scheduled for February 28, 2010. Eurotech will accept orders that are in-house by February 28, 2010 for affected products. All last time buy orders are non-cancellable and non-returnable.

You must place your last time buy order for all affected Eurotech products by February 28, 2010.

Last Time Ship schedule

Eurotech will ship product ordered in the last time buy order by February 28, 2011, in minimum lots of 100. Contact your Eurotech regional sales manager for complete details of the Eurotech EOL Policy, including consignment inventory information.

Standard warranty details apply.
