

Title	EOL for Products Using XILINX FPGA PROM XC5202/5204 Series
Affected Products	Advme0203 and Advme1614
PCN #	PCN10001
Date	February 22, 2010

Summary

XILINX has announced the End of Life of the XILINX FPGA PROM XC5202/5204 series which is used in Eurotech's Advme0203 and Advme1614 boards.

Impact

The Advme0203 and Advme1614 boards are discontinued (End of Life). As a migration option, Eurotech offers our selection of VME boards, such as the Advme1608A.

Under the terms of our last time buy program, Eurotech will accept last time buy orders up to March 26, 2010.

Eurotech Products Affected

Product Name	Description
Advme0203	Universal VME board
Advme1614	16 channel analog input/8 channel analog output board

Effective Date

This product change notice effective date is February 22, 2010.

Recommended Action

You can chose to migrate existing designs to a different Eurotech product and/or make a last-time buy.

Last Time Buy schedule

Eurotech will accept last time buy orders that are in-house by March 26, 2010 for affected products. Last time buy orders are non-cancellable and non-returnable.

Title	EOL for Products Using XILINX FPGA PROM XC5202/5204 Series
Affected Products	Advme0203 and Advme1614
PCN #	PCN10001
Date	February 22, 2010

Last Time Ship schedule

Eurotech will ship product specified in the last time buy order by September 26, 2010 in minimum lots of 100. For last time buy orders greater than 500, Eurotech will extend shipment date to September 26, 2011. Contact your Eurotech regional sales manager for complete details of the Eurotech EOL Policy, including consignment inventory information.

Standard warranty policies apply.

Key Date Summary

Last Time Buy	March 26, 2010	General, LTB Over 500
Last Time Ship	September 26, 2010	General
Last Time Ship	September 26, 2011	LTB Over 500

Special Considerations

Customers with previously negotiated, special considerations will be handled separately.

Contact your Eurotech regional sales manager with any questions.
